Questionnaire was taken over a two week period.

Week 1 - April 24-25, 2004 - Third Sunday of Easter - No Religious Education

Week 2 - May 1-2, 2004 - Fourth Sunday of Easter - 1st Communion, Walk Against Hunger

Week 1- 667 people responded.

Week 2- 93 people responded.

Both these groups responded to the questionnaire with similar results.

Concerns about the questionnaire itself.

Some people would have like more time to fill it out, they needed to think more about it.

Questionnaires left in the pew were generally considered extras and were not counted.

People who responded with two check marks for a question we marked the higher number.

For example if someone marked 1 (Very Supportive) & 2 (supportive) we checked #2.

If three or more boxes were marked we checked no response.

For Question 1, if people marked #4 (Not Supportive) and included their name, the sister parish committee will try and follow up with those people.

1. How supportive are you of the idea of our church twinning with a parish in Haiti?
