### Give A Gift of Hope!

**Help Sponsor a Child's Education:** Haitian parents must pay tuition of about **\$50 per child** each year for school. For many this is a luxury they cannot afford—a luxury that is the surest way out of a life of poverty. Will you help sponsor a child's education and give them hope for the future?

**Help Sponsor Teacher's Salary:** The average teacher's salary in Haiti is **\$600.00 per year**. St. Genevieve's School must fund this salary on their own. Will you help provide a Haitian teacher with the means to live and teach in Zoranje, where their skills are so desperately needed?

**St. Genevieve Lunch Program:** The average person in Zoranje has one meal every few days. Children go to school hungry and do not have the energy to learn. The program provides a meal during the school year to the 400 children who attend the school each day.
