There are different kinds of spiritual gifts, but it is the same Holy Spirit who is the source of them all. There are different kinds of service in the church, but it is the same Lord we are serving. There are different ways God works in our lives, but it is the same God who does the work through all of us. A spiritual gift is given to each of us as a means of helping the entire church. To one person the spirit gives the ability to give wise advice; to another he gives the gift of special knowledge. – I Corinthians 12:4-8
